To facilitate the selection of our products, we have designed a **QUICK CHECK ORDER FORM** for you to use when placing an order. Each product that we sell is listed on the **QUICK CHECK ORDER FORM** located on page 40-41. Since we have over 220 kits and many more parts and supplies, we recommend using this form to keep track of what you want. Please fill in the boxes below to complete your order.

Take the Total from each Column on the QUICK CHECK ORDER FORM on page 40-41 and enter the amounts in the appropriate boxes.

Add the totals from each column box above to get the subtotal

Please add 7% of subtotal to estimate the shipping cost. Exact shipping charges are determined based on weight and distance of your order. Please call for a quote if you need an exact shipping amount.

For special express service charges, see the center box on page 2.
